THE CATERERS

The Terrace Café is another café run by The Caterers.

Our Ethos has always been to serve simple quality food using the freshest and as local as possible ingredients as we can and we have brought that to the menu we are offering at The Terrace Café.

All our meat is 100% Irish, traceable and sourced from fully fledged Master Butchers M & K Meats and J.J. Young & Sons. Our fish is supplied by Kish Fish and Nicolas Lynch and our fruit and vegetables are sourced directly from Smithfield Market.

We would love to hear from our customers of any suggestions for menu offerings and we will test them out to see if they can be included long term on our menu.

If you like what you experience here why not visit our other café in another beautiful Irish Historic Building – The Courtyard Café at Castletown House- Exit 6 off the M4.
